FISYN VALUE ADDED

ACCREDITED INVESTOR

Who Is FISYN?

Family-Owned. Texas-Focused. Investor-Aligned.

Founded by Ron McVaney after 40+ years in securities and financial services — built around one belief: **FISYN only wins when its investors win.**

"I spent decades in an industry where the advisor got paid whether the client won or lost. I wanted to build something different."

— **Ron McVaney, Founder & President**

Buy land. Entitle it. Prepare it. *Exit well.*

The strategy is designed to be simple: identify undervalued commercial real estate in high-growth markets, improve its development readiness, and position it for demand from larger buyers, developers, or institutional users.

Cash-Based Acquisitions

No debt. Full flexibility to hold and execute with patience.

Hands-On Preparation

We prepare every property ourselves before we sell.

Plain Communication

No jargon. Straight talk, always.

01 — Acquire Strategic Land

Identify undervalued commercial parcels in active Texas growth markets.

02 — Move Through Entitlement

Advance zoning, permitting, and approvals to expand development options.

03 — Prepare for Infrastructure Use

Coordinate power, utilities, and site planning for institutional viability.

04 — Position for Institutional Demand

Surface readiness to developers, hyperscalers, and large capital buyers.

05 — Seek Value Creation at Exit

Pursue exits aligned with the maturity of the digital infrastructure cycle.

Why Texas?

Population Growth

+562,941 people in one year

More inbound movers than any other state — every year.

Corporate Relocation

314+ corporate headquarters since 2015

HQs and operations reshaping entire Texas metro areas.

Infrastructure Buildout

\$138B 10-year transportation investment

Roads, utilities, and logistics hubs in the path of growth.

Business-Friendly Policy

#1 Best Business Climate — 4 years running

Tax, regulatory, and economic advantages that attract capital.

Deep local relationships with municipalities, planners, and developers give FISYN a first-mover edge before opportunities become widely visible.

INTRODUCING

The FISYN Value-Add Fund

Direct access to Texas commercial land —
including a fast-growing category: **sites positioned
for data center and AI infrastructure development.**

→ Power-adjacent, entitlement-
ready sites
The combination developers actually
need — and genuinely scarce.

→ Same disciplined land strategy
Applied to a category of demand that is
accelerating right now.

→ Community-first approach
We only pursue sites where growth
brings real local benefit.

Who This Fund Is Built For

The Registered Investment Advisor

Private market access with real asset backing — a strategy you can explain, stand behind, and document for compliance.

The Retirement & Legacy Investor

Tangible assets, passive participation, and a firm that treats stewardship of your capital as seriously as you do.

The Forward-Looking Investor

Participation in the real economy behind AI and infrastructure trends — not just another public equity position.

Whichever fits — the investment is the same: disciplined, transparent Texas land, structured to align FISYN's success with yours.

A Straight-Talk Section on Risk

We are not going to pretend this investment is without risk — and any firm that tells you otherwise is not being honest with you.

How We Manage It

1

Cash-only acquisitions

No leverage to amplify downside.

2

Rigorous underwriting

Before we buy anything.

3

Deep local execution

In the specific Texas markets we know.

4

Aligned incentives

We only win when you win.
